The exclusive Mas de Torrent Hotel & Spa is located in the Emporda region. Set amid Mediterranean forests, medieval towns and the beautiful beaches of the Costa Brava.

A member of the prestigious Relais & Châteaux association, the hotel is especially notable for its spectacular views and extraordinary gardens, as well as its impeccable and attentive service.

The restored 18th century stone farmhouse enjoys a privileged setting just one-and-a-half hours from Barcelona and under an hour from the French border, close to the stunning beaches of the Costa Brava, the medieval village of Pals and the ancient Greek and Roman city of Empúries.

The hotel was designed to create an experience of the Emporda region. It has 39 suite rooms, 10 suites in the main house, 20 in the gardens each with a private terrace, 7 with private pool, 1 eco-sustainable suite room and 1 2-bedroom suite. MasSPA features a fitness room, sauna, Hammam, heated pool, jacuzzi and cold plunge pool, terrace solárium, relaxation area and 4 treatment rooms.

## Our Tips

- If you're only staying for one or two nights, why not book a getaway? Getaways include accommodation, lunch, dinner, and spa treatments.

- This hotel can be booked for private use depending on availability (except between months of May to September).

- Make sure to dine at both restaurants at the hotel. 'Restaurant 1751' and the more informal 'Restaurant Piscina' by the pool.
